

DISCOVER SWIMMING WITH DOLPHINS IN SATAYA BAY – EGYPT 6th to 13th of December 2025

SATAYA BAY

The lagoon of Sataya, with cristal clear turquoise waters , is located in the Red Sea, in South of Egypt .

The dolphins come from the open sea during the day to rest, to play together, to growth their babies and young, to mate and to play with the humans.

They are totally free and wild .

The dolphins love to be with humans. They like to lock at you, to lauch you deep gaze, with love and kindness

Their joy come to touch you, in the hearth of your cells.

An unforgettable encounter and most return to see them after.

PROGRAM

Your guide, Anne Florence
Vanden Perre is Osteopath, Fasciatherapist, Live coach, energy worker and facilitator of Access Consciousness tools. She already was with the dolphins twice with the Nooraya.

In addition to the dolphins trips, Anne-Florence invite you to daily workshops. (see program in attachement on the website)

THE DOLPHINS

Dolphins spinner are mammals measuring 2 to 2,5 meters. They are smart, curious, cheerful, player, cuddly and live in group. .

Our approach is in the total respectful of the animal.: we do not touch them and it is the dolphins who choose the right moment to interact with us

They know what we can receive and gift us generously.

THE BOAT AND THE CREW

The Nooraya is 29 m long and 7 m wide. It offers eleven 2-person cabins, 3 decks and an outdoor lounge welcome you according to your wishes.

You can sleep on the upper deck under the Milky Way if you desire...

There is a warm and friendly crew, caring and attentive to any request.

The boat is equipped with 2 zodiacs to accompany us in the water during our outings in the water.

Two dolphin-instructors, specialists in the dolphin behaviors will guide us in the water at the right times and places to receive a maximum of these awesome creatures.

ACCOMMODATION

Accommodation in full-board in 2-person cabins with private shower and toilet.

Food is prepared with love and delight, in the boat and presented in buffet form.

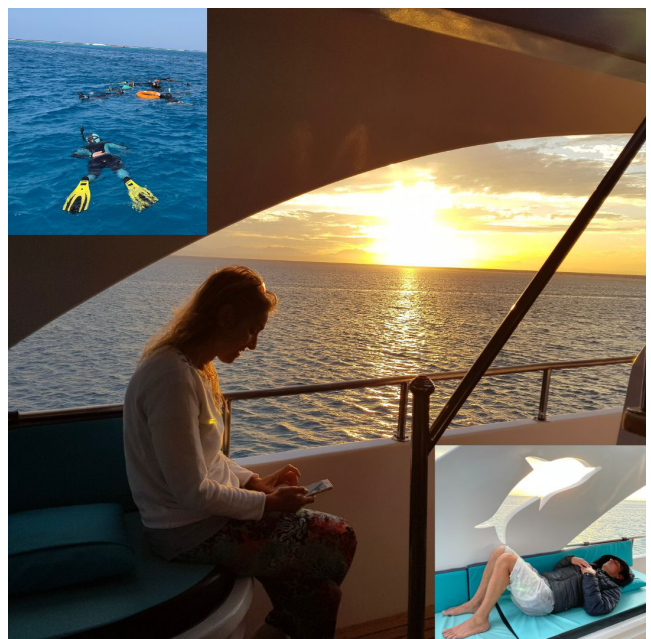

Snacks are provided in the middle of the mornings and afternoons.

The open and sea air whets in appetite. You won't be hungry.

A WEEK ON BOARD THE NOORAYA

Upon our arrival in Marsa Allam's airport, we will be supported by a private bus to go to Hamata's port where the Nooraya will wait for us.

After the first night at the port, we will head Satay's Atol (journey time about 2h) where the boat will dock for 6 days in this awesome cristallin turquoise waters decor, out of time.

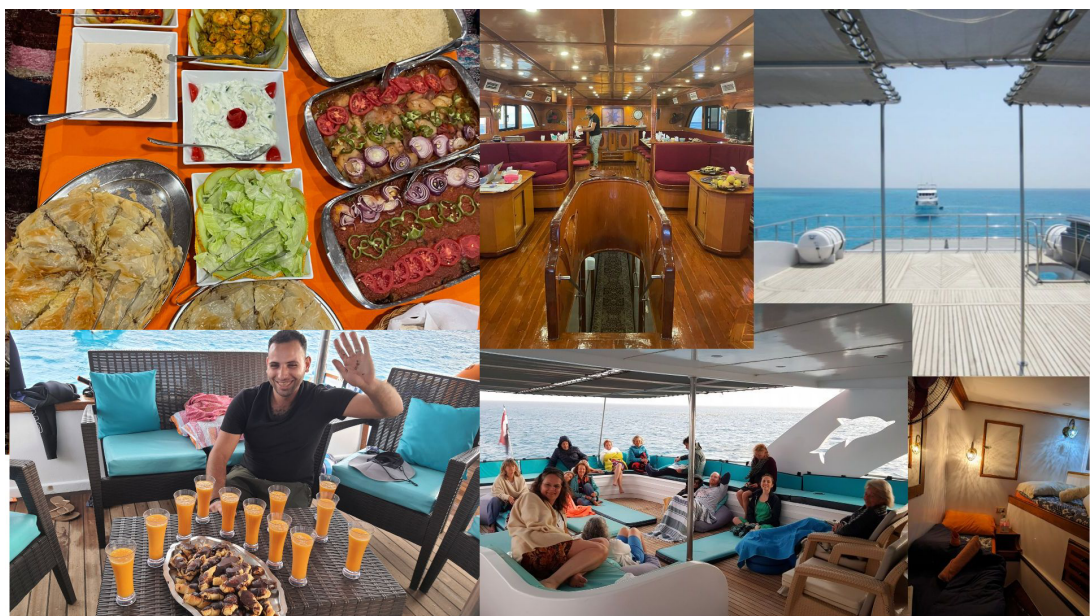

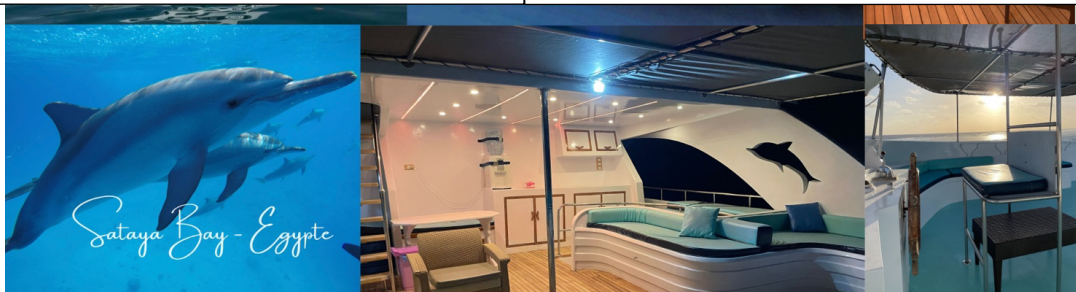

THE RYTHM Of THE THE DAYS

The dolphins punctuate the days
When they approach the boat, the ring bell
and we put on our diving suits, mask, tuba
and fins to get ton the zodiacs and meet
them in the water.

No sea trip is mandotory8

When the dolphins will not come, we can
admire the colorful fish along the coral reef.
The workshops take place in the beginning of
the afternoon and after sunset before dinner.

The details of program can be downloaded on the website too.
