

PRESENTATION OF THE SWIM WITH FREE DOLPHINS STAGE SATAYA 2025

I invite you on an inner journey, fully immersed among the dolphins in the wonderful turquoise waters of Sataya, in the south of Egypt, in the Red Sea.

We will swim with the dolphins 2 to 3 times a day. They will come to surround us, play with us, transmit their highly nourishing vibrations, and share their joy.

A week suspended out of time, in an idyllic setting to recharge, surrounded and assisted by an Egyptian crew that is both efficient and delightful.

The dolphins are free in the atoll. They come during the day after spending the night at sea feeding. They rest there, educate their young, mate, and play among themselves and... with us. They love the contact of kind humans and offer a lot if we are open to receiving them. We will not chase them; we will let them come to us. This is a fundamental rule of respect for the animal. The experienced crew, who are very close to the dolphins, will guide us so that we can all benefit (both the dolphins and us).

Since my arrival on this planet, I have been working to bring more awareness into the lives and bodies of the people I meet. I am an Osteopath, energy practitioner, life coach, and facilitator of Access Consciousness® tools. Through this workshop, I invite you to an extraordinary experience.

The 2025 program of workshops (optional and included in the travel package) consists of:

- Morning session of Symphony of Possibilities* at sunrise: which you can follow from your bed or on deck with me. This session will include the Earth, the sea, the dolphins, and of course, the people present who wish to join.
- Early afternoon and at sunset; 2 meetings of +/- 1 hour. Access Consciousness body process workshop (it's very easy and there are no prerequisites). Or time for sharing and conversation together depending on the days. And other surprises...

I will also offer (for an additional fee) individual sessions on the boat (fascial therapy, symphony of possibilities, facilitation-coaching, energy session). By reservation. Limited number. Please contact me personally if you wish to have a session.

During the preparation period for the trip, we will meet, for those who wish, to connect (via Zoom or in person).

The price of the trip is €1,600 (VAT included). An additional €125/person for a cabin on deck.

- *This price includes:*
 - Full board on the boat in a double cabin* with private shower and toilet,
 - Local taxes including maritime taxes,
 - Round trip transfer from Marsa Alam airport (or depending on the flight day to Essaouira) to NOORAYA (our boat located in the Port of Hamata),
 - Dolphin outings and guidance from dolphin masters,
 - Workshops given by Anne-Florence Vanden Perre (in French and English),
 - Possible hotel on the last day in transit before the airport for a few hours depending on the flight time and airport.
- *It does not include:*
 - Egyptian visa: (€25 - cash at the airport),
 - Tips for the boat crew (about €50 per participant - cash),
 - Possible scuba diving (40€/dive), the flight Brussels-Marsa Alam (if you have a diving logbook, please bring it),
 - Alcoholic beverages on the boat (Egyptian beer available only),
 - Your cancellation and repatriation/health insurance or snorkeling equipment.

Note: Your care begins at Marsa Alam airport, the time being dependent on the Brussels – Marsa Alam flight and set by Nooraya itself.

Additional information can be found in the registration form.
